Memorandum

TO: Vail Town Council

FROM: Finance Department, Economic Development Department

DATE: November 7, 2017

SUBJECT: Short Term Rental Regulations

## I. SUMMARY

Attached is the first reading of Ordinance No. 15, Series 2017, establishing a short term rental license and accompanying regulations.

## II. BACKGROUND

On October 17, Council provided additional feedback to staff for additional regulations of the short term rental market. While this ordinance addresses regulations supported by Council over a series of meetings and public sessions, the evolving landscape of the short term rental market will require that the town continue evaluating and adjusting our process to keep pace.

## III. DISCUSSION

The attached ordinance establishes a unique license for short term rentals which will override the prior regulation requiring issuance of a business license. Short term rental (STR) licenses will be issued beginning January 1, 2018 and will entail a new application process. The ordinance also identifies criteria a homeowner must meet to obtain (and renew) a short term rental license:

- STR licenses have an application process and must be renewed each calendar year. STR licenses will be issued to the owner of the property and are not transferrable.
- **Joint Ownership terms:** As a part of the application process, STR applicants must notify a duplex neighbor of their intent to short term rent the adjoining unit. Should a rental's license be later revoked, written consent from a duplex neighbor must be provided in order to re-instate the license after a two year waiting period.
- An **affidavit** for each rented unit must be signed by the licensee to acknowledge trash, noise and parking regulations as well as verifying life safety precautions are in place. The affidavit also includes an agreement to comply with "Good Neighbor Guidelines".

Please see Attachment B for a draft affidavit and Attachment C for a draft of the “Good Neighbor Guidelines”.

- Each owner shall appoint a local contact or a licensed property manager/agent as a **local property contact** (within a 30-minute response time) who has access and authority to assume management of the unit and take remedial measures. The local contact information must be posted in the interior of the rented unit for renters, as well as documented with the town. Initial complaints will be directed to the local contact for an opportunity to respond. The local contact person or property manager shall be available 24 hours a day to respond to tenant and neighborhood questions or concerns. Please see Attachment D for a sample form assigning a local contact.
- Require posting of license number within all rental **advertisements** (this requirement currently exists). Online advertisements must post the license number on the landing page, immediately following the property description.
- Require **posting** of license number, street address and local property contact information within five feet of the entrance to the short term rental unit.
- Applicable Health and Safety Standards are outlined within the ordinance, in accordance with town code. Violations of the town’s current noise, trash/recycling, building code, fire code, parking, pet and occupancy regulations will be documented and tracked by staff. If an initial complaint is not resolved by the local property contact, a formal complaint may be filed with the town. Owners will then receive written notification from town staff regarding the complaint.
- If there are three or more notices of complaints issued for the same short term rental property within a consecutive 12 month period, the town may revoke the STR license upon written notice to the owner. The owner may appeal and request an administrative hearing. The STR license hearing will be informal.

### **Future Topics**

Council had requested more information on **incentives for owners to rent long term** rather than short term. Financial incentives could include loans or grants for property improvements, or a “signing bonus” when a long-term rental is contracted. In the realm of housing for lower income renters, staff read about an idea to fund a portion of security deposits or first/last month rents, with those payments going directly to the landlord.

Breckenridge currently participates in “Housing Works”, a program through the Family & Intercultural Resource Center (FIRC). The program provides property management services to long-term landlords for no cost. They also guarantee rental income for 12 months.

Staff will return to Council in the near future with any additional STR related topics, as well as a request for approval to contract with a STR software solution.

### **IV. REQUEST OF COUNCIL**

Approve, deny or amend the first reading of Ordinance No. 15, Series 2017.

Within three (3) days of receipt of such a complaint, the Town shall provide a copy of the formal complaint to the owner.

The Town Manager or designee may also revoke any short-term rental license that was issued in error. The Town shall notify an owner, in writing, of any revocation and the reasons therefor.

C. The owner may appeal any revocation by filing a written appeal with the Town Manager or designee within ten (10) days of the date of the revocation notice. In the written appeal, the owner shall describe the reason for the appeal, and may request a hearing before the Town Manager or designee. Section 3. The Town Council hereby finds, determines and declares that this ordinance is necessary and proper for the health, safety and welfare of the Town and the inhabitants thereof.

Section 4. The amendment of any provision of the Vail Town Code, as provided in this ordinance, shall not affect any right which has accrued, any duty imposed, any violation that occurred prior to the effective date hereof, any prosecution commenced, nor any other action or proceeding as commenced under or by virtue of the provision amended. The amendment of any provision hereby shall not revive any provision or any ordinance previously repealed or superseded unless expressly stated herein.
