To Whom it may concern,

My name is Mark Haynes and I am the manager of the new Market at Vail. We are requesting our sign along with the Jewish center to be placed on TOV property. The address is 450 E Lionshead Circle. The sign will be approximately 24 square feet in addition to the address of the building at the bottom of the sign. We are looking at four signs approximately six square feet each. All the signs will be one on top of the other, separately attached between two post. We are working with Rich Greyson at First Chair Design Inc. the sign will be placed just in front and to the west of our compressor unit which has a fence around it for both aesthetic and sound reduction purposes. We look forward to working with the Town on this sign and all other future projects. Thank you.

Best regards,

Mark Haynes
Store Manager

Good Morning Mark

I was hoping you could help me out with something. Could you provide me with a very short narrative for the TC packet basically saying that you are requesting permission to proceed through the development review process for a private improvement (signage) on Town owned property.

To get it into the packet, it needs to be received by noon this Wednesday.

Please call if you have any questions.

Thanks
