

# AUTONOMOUS VEHICLES

**TUESDAY, AUGUST 7 | 6:15 - 7:15 p.m.**  
Vail Town Council Chambers 75 S. Frontage Road

**JOIN US!**

The Town of Vail is hosting a presentation on  
Autonomous Vehicles and other Emerging Technologies

with Rutt Bridges  
Noted Author and Futurist

Rutt is executive director of Understanding Disruption, a non-profit organization based in Denver, and the author of *"Driverless Car Revolution"* and *"Our Driverless Future: Heaven or Hell?"*

His presentation will occur during Tuesday's Vail Town Council meeting following a spirited keynote address that took place during the recent Colorado Municipal League Conference.

For questions, contact Patty McKenny, Vail Town Clerk, at [pmckenny@vailgov.com](mailto:pmckenny@vailgov.com).

**Rutt Bridges**  
**Futurist, author, and entrepreneur**

Rutt is Executive Director of the nonprofit *Understanding Disruption*. He has Physics and Geophysics degrees from Georgia Tech and serves on Georgia Tech's College of Sciences Advisory Board, the Securing America's Future Energy Autonomous Vehicle Task Force, and the Colorado Department of Transportation Innovisers Council. Rutt is past president of the 30,000-member Society of Exploration Geophysicists and past chairman of Colorado Public Radio. Since selling an analytics software startup four years ago, Rutt has focused on understanding disruptive innovations. His 2015 e-book, *Driverless Car Revolution*, reached #1 in sales for Robotics and Automotive on Amazon, and his second book, *Our Driverless Future: Heaven or Hell*, has just been published and is available on Amazon as a Kindle eBook and also as a softcover version.
