Elaine and Art Kelton  
1034 Homestake Circle  
Vail, CO 81657

I apologize for not being able to attend the DRB meeting at 3PM tomorrow September 5<sup>th</sup>. I am in Glenwood Springs with the opening of the new CMC Spring Valley Campus and the Dedication.

I ask that you take into consideration the severity of the design for the proposed duplex and its lack of compatibility with environment of the surrounding neighborhood. The Town of Vail Code was written as a guideline, but it is the standard by which we assume we all live, build and design.

My thanks,  
Elaine Kelton
