RE: Section 12-3-3C.2 / Booth Heights

Sept. 13, 2019

With this Appeal, we file our grievance concerning the proposed development on land important to the survival of Vail's bighorn sheep herd.

My two children walk to Vail Mountain School. The project would create even more dangerous traffic where there is frequent school drop-off and pick-up congestion with impatient drivers needing to get to work or get home, not to mention busses for games and guest cars for special events. Then there is the summer Booth Creek Trail hiker parking nightmare. It's just too much development on a pinched space in a neighborhood overrun by vehicles.

The bighorn sheep herd would not survive residential development there. With so much invested in trying to raise environmentally conscious youngsters, I do not need the Town of Vail undermining that effort by endangering the health of that herd.
