Project Management
Community Planning and Design
Transportation and Mobility
Economic and Housing
Public Engagement

20-Minute Neighborhood

- Proposed plan organizational structure
- Sustainability idea taking hold in Paris, Melbourne, and Boulder
- A 20-minute neighborhood is where all the services, employment, recreational opportunities are available in a short walk, bike ride, or bus trip
- **The task:** Identify gaps in services, transportation infrastructure, environmental sustainability, housing types, and recreation

ENGAGEMENT

- Public engagement to allow the community's vision to shape the plan
- Involving full time residents, second homeowners, workforce, and visitors
- Information and engagement opportunities at www.EngageVail.com
- Advisory Committee meeting every 4-6 weeks
- COVID-19 adjustments – virtual meetings and necessary precautions

Thank you
