

Memorandum

To: Town Council

From: Public Works Department

Date: July 7, 2020

Subject: Electric Charging Station install contract award

I. ITEM/TOPIC

Electric bus Charging Stations installation contract Award Vail Transportation Center

II. BACKGROUND

Four electric buses are scheduled to be delivered to the town this fall. In anticipation of the operation of the buses once delivered The installation of charging stations installed on the West end of top deck of the village parking structure is needed. These charging stations require a new electric service taken from the existing main electrical room in the parking structure to the charging station location

Three bids were received for this work. Encore Electric is the low bidder.

III. ACTION REQUESTED OF COUNCIL

Authorize the Town Manager to enter into an agreement with Encore Electric.

IV. STAFF RECOMMENDATION

Authorize the Town Manager to enter into an agreement, in a form approved by the Town Attorney with Encore Electric in the amount of, and not to exceed, \$62,120.00.
