

Memorandum

To: Town Council

From: Mark Novak, Fire Chief

Date: April 6, 2021

Subject: Fire Engine Contract Award

I. Item

Fire Engine contract award

II. Action Requested of Council

Authorize the Town Manager to enter into a contract agreement with Front Range Fire Apparatus

III. Background

The 2021 Capital Projects Fund includes \$880,000 for the acquisition of a new fire engine. In February of 2021, Vail Fire and Emergency Services (VFES) issued a Request for Proposals. Several manufactures declined to submit a proposal. Front Range Fire Apparatus submitted a proposal that met the requirements of the RFP. The contract amount is \$816,541. It is expected that there will be additional savings due to value engineering and partial pre-payment credits. The balance of funds allocated for this project will be used to purchase equipment to outfit the fire engine.

IV. Staff Recommendation

Authorize he Town Manager to enter into a contract agreement, in a form approved by the Town Attorney with Front Range Fire Apparatus in an amount not to exceed \$816,541.00
