- **October 3** – Town Council – 1st Reading of Ordinance
- **October 17** - Town Council – 2nd Reading of Ordinance
- November 17 (Friday) – Vail Mountain Opening Day

Purpose of the Task Force

Identify options for a commercial ski storage and ski concierge policy that is fair, easily understandable, enforceable, consistent with the Vail brand, considers pedestrian and vehicular safety, and is responsive to new business models. Present options to Town Council.

Provide a “boots on the ground” review of the current policy on ski storage and ski concierge, impacts on local businesses, impacts on customers, and identify pending changes in the ski industry.

Responsibilities for Task Force Members

Task Force members should be prepared to:

- Attend all Task Force meetings (3-4 meetings), including PEC (1 meeting) and Town Council (2-3 meetings)
- Appoint a chair/representative to speak on behalf of the Task Force
- Identify policy options for Town Council consideration
- Identify potential consequences of various policy options
- Provide implementation options and ideas
- Identify the questions that the Town Council must answer to develop a policy
- The task force is not expected to make a formal recommendation to Town Council, but rather to identify options for consideration. Also, the Task Force is not expected to advise the Town Council on Code Enforcement policies.

Note: Unless otherwise noted, all Task Force meetings will be held at the Town of Vail, Community Development Department, 75 S. Frontage Road (across the parking lot from the Town Council Chambers).
